

OVERVIEW: Activities Supported by Energy Efficient Cities

FY 14-16 | Country/Regional Activities

Country	Title of activity
Bangladesh	Open Accessibility Planning for Integrated and Inclusive Transport in Dhaka
Brazil	Brazil Energy Efficient Cities Program
Brazil	Energy Efficiency and Wastewater Re-use Recommendations for Espirito Santo's Water and Sewerage Utility (CESAN)
China	Developing Low-Carbon Strategy for Shenzhen Study
China	Supporting implementation of new urbanization strategy in Chongqing
China	Wuhan integrated transport development project – learning from best int' practice in smart transport and energy efficiency
China	Green logistics for Chinese municipalities: application in Xiaogan and beyond
China	Energy Saving Management Action Plan for Water and Wastewater Utilities in Guilin
Egypt	Towards Energy Efficiency Implementation in Cities in Egypt
Global	EDGE Green Building Market Transformation Program
Global	Data Analytics for Intelligent Energy Systems
Global	Capacity Building for Leaders in Energy Efficient Urban Transport Planning
Global	Exploring the Potential for the Application of Solar PV Pumping Technologies in the Water Supply Sector – Utility Energy Efficiency Business Model
India	India: Efficient & Sustainable City Bus Services - Capacity Building Program in Fuel Efficiency
Indonesia	Inclusive Green Growth for EAP Cities
Indonesia	Reforming the minibuses (angkots) in Surabaya
Kyrgyz	Kyrgyz Republic: Urban Development Project
Lebanon	Lebanon- Promoting energy efficiency in bus rapid transit
Macedonia	Macedonia Municipal Energy Efficiency Promotion
Mexico	Mexico Municipal Energy Efficiency Project
Mexico	Mexico International Conference On EE In Cities
Mexico	Mexico - Sustainable Land Use for Energy Efficient Cities
Morocco	Energy Efficiency Transformation in Moroccan Cities
Nicaragua	ENACAL Master Plan for Operational Efficiency in Managua/Nicaragua
Regional	Big data analytics for congestion mitigation (Southeast Asia)
Regional	Achieving energy efficient urban transport in cities in Latin America
Regional	Wholesaling Energy Efficiency in Water Utilities in the Danube Region
Regional	Energy Efficiency in Water and Wastewater Utilities in LAC
Sri Lanka	Colombo Low Carbon Urban Transport TA
Tanzania	Cycle mapping for improved urban mobility
Tanzania	Dar es Salaam City Water and Sewerage Services Energy Efficiency Review
Thailand	Addressing Barriers to Modernizing Chiang Mai Urban Public Transport
Ukraine	Ukraine: Energy Efficiency Transformation in Cities
Ukraine	Sustainable Urban Transport for the City of Kyiv
Uzbekistan	Towards Energy Efficient Resilient Cities in Uzbekistan

FY17 | New country/Regional Activities (all activities are ongoing)

Country	Title of activity	Efficient City Services	Efficient & Sustainable Buildings
Brazil	Metropolitan Buenos Aires: Efficient and Sustainable Urban Settlements	x	x
China	Energy Saving Management for water utilities in Liaoning	x	
Cote d'Ivoire	Urban Density and Quality Buildings for an Energy Efficient Abidjan		x
India	Strategic Options for Energy Efficiency Scale-Up and Support to Key Sector Stakeholders		x
Kazakhstan	Energy Efficiency Transformation in Astana and Almaty	x	x
Kyrgyzstan	Energy Efficiency in Public Buildings in Kyrgyzstan		x
Panama	Towards an Effective Implementation of Energy Conservation Initiatives	x	x
Ukraine	Technical Assistance for the Ukraine District Heating Energy Efficiency Project	x	
Ukraine	Sustainable Urban Mobility for Odessa	x	
Vietnam	Vietnam Energy Efficiency for Industrial Enterprises GCF Proposal	x	
Western Balkans	Financing of Public Buildings in the Western Balkans		x
World	Capacity Building for Leaders in Energy Efficient Urban Transport Planning	x	
World	Scaling-Up Energy Efficiency Investments in Water Utilities	x
