

Company profile

Acea Group: Overview

Acea operates in the management and development of networks and services in the water, energy and environment businesses

51% Roma Capitale
19% Suez
24% Market
6% Caltagirone Group

Key figures 2025

1.4 B€
EBITDA Pro forma

~9,000
Employees

~4.7 B€
Market Cap

~480 M€
Net profit

WATER

Italy

1st operator in Italy for water services
~10 M
inhabitants served in:

- Lazio
- Toscana
- Umbria
- Campania
- Molise
- Valle d'Aosta
- Liguria
- Sicilia

Overseas

5 Companies operating in water services
~10 M
inhabitants served in Latin America

ENVIRONMENT

Primary operator for Waste Management in Italy

~2 Mtonnes
waste managed

ELECTRICITY

One of the main electricity distribution system operators in Italy
~1.7 M
POD in Rome, main European urban distribution network (~33.000 km)

OTHER BUSINESS

INFRASTRUCTURE

Group's engineering and EPC platform for integrated design, construction and O&M

PRODUCTION

Diversified **renewable generation platform** with strong PV growth pipeline

980 MW

Total maximum capacity

MARKET BASED SERVICES

a.Quantum is Acea's **vehicle to commercialize solutions** and scale innovation to market

Acea in water

Geographical presence

Italy

Overseas

Key figures 2025
