

# WS2 Webinar Repository

Month	Partner(s)	Name
February 2026	 Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH 	<b>ESMAP – H4D Webinar Series:</b> <i><a href="#">Powering Clean Shipping In the Power-to -X Economy: From ports to Off-takers</a></i>
January 2026	 OECD BETTER POLICIES FOR BETTER LIVES  Western Cape Government	<b>ESMAP – H4D Webinar Series:</b> <i><a href="#">South Africa's Path to Industrial Decarbonization: Insights from the OECD Net Zero Framework</a></i>
December 2025	 THE WORLD BANK IBRD - IDA  ESMAP Energy Sector Management Assistance Program	<b>ESMAP – H4D Webinar Series:</b> <i><a href="#">From Potential to Projects: Namibia's Experience in Green Industrialization</a></i>
November 2025	 MAURITANIE HYDROGENE ESPACE COMPETENCES	<b>H4D Webinar Series:</b> <i><a href="#">Mauritania Hydrogen Infrastructure Study-Key Premises and Results</a></i>
October 2025	 AMMONIA ENERGY ASSOCIATION  JAPAN BANK FOR INTERNATIONAL COOPERATION	<b>H4D Webinar Series:</b> <i><a href="#">From Bids to Breakthroughs: India's Green Fuel Auctions</a></i>
September 2025	 H <sup>2</sup> lac	<b>H4D Webinar Series:</b> <i><a href="#">Report Launch - Key Insights from Social Licensing to Operate (SLO) in Renewable</a></i>
August 2025	 THE WORLD BANK IBRD - IDA  ESMAP Energy Sector Management Assistance Program	<b>H4D Webinar Series:</b> <i><a href="#">Clean Hydrogen for Road Transportation in Developing Countries</a></i>
June 2025	 IFC International Finance Corporation	<b>H4D Webinar Series:</b> <i><a href="#">Unlocking Opportunities: A Framework for Assessing Green Hydrogen Potential in Emerging Markets</a></i>

May 2025		<b>H4D Webinar Series:</b> <u><i>Net-Zero Regulations in Shipping: Outcomes from the International Maritime Organization Climate negotiations</i></u>
April 2025		<b>H4D Webinar Series:</b> <u><i>Exploring the Navigator of Policies and Regulations Governing Hydrogen and Derivatives Imports in the European Union</i></u>
March 2025		<b>H4D Webinar Series:</b> <u><i>Powering the Future: Integrating Clean Hydrogen into the Power System</i></u>
February 2025		<b>H4D Webinar Series:</b> <u><i>Leveraging De-Risking Instruments and International Coordination to Catalyze Investment in Clean Hydrogen</i></u>
December 2024		<b>H4D Webinar Series:</b> <u><i>Charting the Course   Strategies for Ports to Supply Zero-Emission Fuels</i></u>
October 2024		<b>H4D Webinar Series:</b> <u><i>Global trade in green hydrogen derivatives: Trends in regulation, standardization and certification</i></u>
September 2024		<b>H4D Webinar Series:</b> <u><i>Accelerating Clean Hydrogen Markets: Insight from the H2Global Pilot Auction Results</i></u>
July 2024		<b>H4D Webinar Series:</b> <u><i>Green Iron Corridors: Building the Competitive Case for Green Iron as a Vector for Green Hydrogen Trade</i></u>
June 2024		<b>H4D Webinar Series:</b> <u><i>The Clean Hydrogen Economy and Saudi Arabia: Domestic Developments and International Opportunities</i></u>
May 2024		<b>H4D Webinar Series:</b> <u><i>Women Moving the Decarbonization Industry: Insights from Developing Countries and Emerging Markets</i></u>

April 2024	 	<i><u>H4D Third Partners Meeting and Stakeholders Forum</u></i>
March 2024		H4D Webinar Series: <i><u>Hydrogen as a Catalyzer for Energy Transition in Africa</u></i>
February 2024		H4D Webinar Series: <i><u>Hydrogen Production, the Role of Storage, and Transportation-Related Infrastructure</u></i>
January 2024		H4D Webinar Series: <i><u>Innovative Insights: Unveiling the Advanced Methodology for Assessing GHG Emissions in Hydrogen Production</u></i>
December 2023		H4D Wbinar Series: <i><u>H2LAC – Financing Working Group – Presentation of World Bank Flagship Report</u></i>
November 2023	 	H4D Webinar Series: <i><u>Accelerating the hydrogen-based steel production</u></i>
October 2023	 	<i><u>H4D Second Partners Meeting and Stakeholders Forum</u></i>
September 2023		H4D Webinar Series: <i><u>Time for Climate Action: Green Hydrogen Development and Projects Implementation in the MENA Region to Reach Net-Zero</u></i>
August 2023		H4D Webinar Series: H4D - RMI – IRENA Webinar Session
July 2023		H4D Webinar Series: CCEE Webinar
