***The World Bank/ESMAP and the Africa Minigrid Developers Association (AMDA): The 7th
Mini Grids Action Learning Event (ALE)
Abuja, 24-27 October 2022
POSTPONED***

Dear Participants

We regret to inform you that yesterday, October 14, 2022, we received news that the Sheraton in Abuja has been acquired by new owners who have decided to close the hotel for renovations beginning October 18, 2022. This comes as a complete shock to us all, as we have been planning this event for months.

Despite all of our best efforts, we are not in a position to hold the Action Learning event as planned and we must therefore postpone it. We sincerely apologize for any inconvenience that this unfortunate development may cause you.

We will reconvene with our partners to agree on a new date and venue in due course and will inform you accordingly.

Yours sincerely,
